Amova Singapore Dividend and Growth Equity Fund

October 2026 Factsheet

Investment Objective

The investment objective of the fund is to achieve a balance of capital appreciation and income over the medium to long-term investment period. The fund will invest primarily in equities and equity-related securities listed on the Singapore Exchange Securities Trading Limited ("SGX-ST"), including but not limited to, ordinary stocks, REITs, Business Trusts and Stapled Securities, with a focus on identifying companies demonstrating strong growth potential and/or sustainable income generation. The Managers may invest approximately 50% of the fund's NAV to small and mid-cap Singapore-listed equities. This allocation may vary at the discretion of the Managers and as permitted by the relevant authorities, subject to prevailing market conditions and liquidity considerations.

The Fund may invest in other collective investment schemes, including ETFs, where such investment aligns with its investment objective and focus. The Managers may, at their absolute discretion, invest any or a substantial portion of the Fund's NAV into the underlying fund, the Amova Singapore Small Mid Cap Equity Fund.
