The Straits Times Index (STI)

The Straits Times Index (STI) is a globally recognised benchmark index for the Singapore stock market. It comprises of the top 30 largest companies listed on the Singapore Exchange by market capitalisation.

Many of the companies in the STI are well-established household names that many Singaporeans would be familiar with (e.g., DBS Group Holdings, Singapore Telecommunications Limited, CapitaLand Investment.) The STI includes a diversified range of sectors such as airlines, banks, food & beverage, retail, telecommunications. Dividend yield of the STI has historically been approximately 3% to 5% per annum*.

About Amova Singapore STI ETF

The Amova Singapore STI ETF seeks to replicate as closely as possible, before expenses, the performance of the Straits Times Index.

It adopts a full replication strategy, investing all, or substantially all of its assets in shares of the companies in the STI, in substantially the same weightings as reflected in the STI.

In Singapore, the Amova Singapore STI ETF is classified as an Excluded Investment Product. This means that a Customer Account Review is not required before an investor transacts in the Fund.

The Fund is included under the CPFIS - Ordinary Account and has been classified by the CPF Board under the category of Higher Risk - Narrowly Focused - Country - Singapore.

The Amova Singapore STI ETF could be of interest to investors:

Who want to invest in blue-chip companies in a familiar market

Looking for a low cost and simple way to get exposure to the Singapore stock market

Seeking a diversified Singapore equity portfolio, without the need to perform individual stock picking or in-depth company research

Who is the Fund suitable for?

The Fund is only suitable for investors who:

- Seek medium to long-term capital appreciation
- Believe that the Index will increase in value
- Are willing and able to accept that their principal will be at risk
- Seek an “index-based” approach to investing in a portfolio of Singapore listed equity securities in a cost effective and easy to access manner.

You should consult your financial advisers if in doubt about whether this product is suitable for you.

What are the key risks of this Fund?

- Market and credit risks
- Liquidity risks
- Product-specific risks
 - Tracking error risk
 - Risk associated with the investment strategy of the Fund / lack of discretion by Manager to adapt to market changes

You should be aware that investment in the Fund may be exposed to other risks of an exceptional nature from time to time. Please refer to the Fund Prospectus and Product Highlights Sheet for further details.

Important information: This document is purely for informational purposes only with no consideration given to the specific investment objective, financial situation and particular needs of any specific person. It should not be relied upon as financial advice. Any securities mentioned herein are for illustration purposes only and should not be construed as a recommendation for investment. **You should seek advice from a financial adviser before making any investment. In the event that you choose not to do so, you should consider whether the investment selected is suitable for you.** Investments in funds are not deposits in, obligations of, or guaranteed or insured by Amova Asset Management Asia Limited ("Amova Asia").

Past performance or any prediction, projection or forecast is not indicative of future performance. The Fund or any underlying fund may use or invest in financial derivative instruments. The value of units and income from them may fall or rise. Investments in the Fund are subject to investment risks, including the possible loss of principal amount invested. You should read the relevant prospectus (including the risk warnings) and product highlights sheet of the Fund, which are available and may be obtained from appointed distributors of Amova Asia or our website (<https://sg.amova-am.com>) before deciding whether to invest in the Fund.

The information contained herein may not be copied, reproduced or redistributed without the express consent of Amova Asia. While reasonable care has been taken to ensure the accuracy of the information as at the date of publication, Amova Asia does not give any warranty or representation, either express or implied, and expressly disclaims liability for any errors or omissions. Information may be subject to change without notice. Amova Asia accepts no liability for any loss, indirect or consequential damages, arising from any use of or reliance on this document. This advertisement has not been reviewed by the Monetary Authority of Singapore.

The performance of the ETF's price on the Singapore Exchange Securities Trading Limited ("SGX-ST") may be different from the net asset value per unit of the ETF. The ETF

may also be suspended or delisted from the SGX-ST. Listing of the units does not guarantee a liquid market for the units. Investors should note that the ETF differs from a typical unit trust and units may only be created or redeemed directly by a participating dealer in large creation or redemption units.

The Central Provident Fund ("CPF") Ordinary Account ("OA") interest rate is the legislated minimum 2.5% per annum, or the 3-month average of major local banks' interest rates, whichever is higher, reviewed quarterly. The interest rate for Special Account ("SA") is currently 4% per annum or the 12-month average yield of 10-year Singapore Government Securities plus 1%, whichever is higher, reviewed quarterly. Only monies in excess of \$20,000 in OA and \$40,000 in SA can be invested under the CPF Investment Scheme ("CPFIS"). Please refer to the website of the CPF Board for further information. Investors should note that the applicable interest rates for the CPF accounts and the terms of CPFIS may be varied by the CPF Board from time to time.

The units of Amova Singapore STI ETF are not in any way sponsored, endorsed, sold or promoted by FTSE International Limited ("FTSE"), the London Stock Exchange Plc (the "Exchange"), The Financial Times Limited ("FT") SPH Data Services Pte Ltd ("SPH") or Singapore Press Holdings Ltd ("SGP") (collectively, the "Licensor Parties") and none of the Licensor Parties make any warranty or representation whatsoever, expressly or impliedly, either as to the results to be obtained from the use of the Straits Times Index ("Index") and/or the gure at which the said Index stands at any particular time on any particular day or otherwise. The Index is compiled and calculated by FTSE. None of the Licensor Parties shall be under any obligation to advise any person of any error therein.

"FTSE®", "FT-SE®" are trade marks of the Exchange and the FT and are used by FTSE under license. "STI" and "Straits Times Index" are trade marks of SPH and are used by FTSE under licence. All intellectual property rights in the ST index vest in SPH and SGP.
